**Hello, golfers of GoGolf,**

I would like to take this opportunity to introduce myself. My name is Nishal van Loon, I am a PGA qualified Golf Professional from the Netherlands. Through the British PGA training scheme, I qualified as A-status professional at the Belfry in 1997. I now have the opportunity to teach and provide my services for the golfers at GoGolf Megarange in 2023. I look forward to meeting you.

I enjoy teaching the most, as it gives me great satisfaction to see pupils improve, progress and leave the lesson with a feeling of success. I would like to share my knowledge of the game of golf and look forward to meeting all the golfers of GoGolf. You can book online or contact me directly.
